

# HOW TO HAVE A SAFE HALLOWEEN

## TRICK OR TREATING SAFETY TIPS

- Use a flashlight; never carry a candle.
- Wear costumes that reflect or are light-colored.
- Use makeup on your face instead of a mask.
- Stay in well-lighted, familiar neighborhoods.
- Stay on the sidewalk or walk facing traffic.

- Walk with an adult or a group.
- Stop only at homes with outside lights on as a sign of welcome.
- Never go inside a home or apartment.
- Don't eat any of your treats before you get home. Have your mom or dad check them first.

## SAFE HALLOWEEN DECORATING

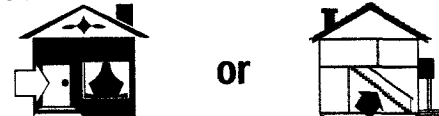

Use small  instead of   
in .

Keep all decorations away  
from  and open .

Do not place  on porches, in  
walkways or near flammable materials.

Do not place dry decorations like   
near a  or other source of **HEAT**.

Decorations should never block a

or
